

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Kaden Camire

Kaden has a natural passion for the outdoors and improving our environment. Following this passion, he obtained his certification in Wildlife and Forestry Conservation after high school. Kaden joined Bartlett Tree Experts in 2016 and has moved up steadily within the company. As an Arborist Climber and a Crew Leader, he was committed to improving his ability to safely, and effectively, provide a high standard and quality of work, as well as build solid customer relationships. Those positions broadened his perspective on the best ways to care for and maintain trees, both long and short term.

An ISA Certified Arborist, Kaden is also ISA Tree Risk Assessment Qualified (TRAQ) and is a Certified Tree Care Specialist. As an Arborist Representative, Kaden firmly believes in giving customers what they want while also ensuring that the job is done right. He looks forward to providing his residential and commercial clients with timely and scientific-based tree care advice for many years to come.
