

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Logan Fisher

Logan has been with Bartlett Tree Experts since 2013. In that time period, Logan has been a grounds person, climber, crew leader, plant health care specialist, and is currently our Local Office Safety Coordinator for the Wilmington office. In that capacity, Logan ensures that each team member is trained to complete their tasks efficiently and most importantly, safely. He also visits clients' properties as an Arborist Representative. Logan is an ISA Certified Arborist, a Maryland Tree Expert, and is a Certified Tree Safety Professional who is qualified as a Tree Risk Assessor through the TCIA. It was no surprise that he fell in love with arboriculture after spending his lifetime immersed in the outdoors.

His passions include backpacking, enjoying wildlife, playing music, and most of all his family. Logan was born and raised in Cecil County, Maryland and is now raising his two boys with his beautiful wife Lauren in the same area.
