

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Mark Bruno

Mark Bruno has been involved in tree care since starting his own tree and landscape company in high school. As a college student, he found himself immersed in the arboriculture program at University of Massachusetts' Stockbridge School of Agriculture. After earning an Associate's Degree at Stockbridge, Mark went on to graduate with a Bachelor of Science degree at The University of Massachusetts-Amherst in 1988. He has been involved with both arboriculture and horticulture ever since. Attracted to Bartlett's scientific approach to tree care, Mark joined the Waltham office in 1999 as an Arborist Representative. Mark is an active member of the Massachusetts Arborist Association, and is a Certified Arborist with the International Society of Arboriculture. He is also a Massachusetts Certified Arborist. Mark enjoys giving garden club speeches, caring for town arboriculture projects, and is involved with consulting and maintaining period landscape restoration on a local level.
