Meet Your Bartlett Arborist Representative

Matthew Levett

Matt has over 12 years' experience working within the industry. He came to the Bartlett Tree Expert Company in 2015 where his role was to oversee crew operations. He also took on the role of Local Office Safety Coordinator, ensuring all our employees work to the highest standards set for the industry, before he assumed the position of Arborist Representative covering the Kent area.

As an ISA certified Arborist and Professional tree inspector, Matt has a good depth of knowledge in all aspects of arboriculture and enjoys continuing his education in the science and plant health care we specialise in at Bartlett.

Matt is passionate about his role as an Arborist Representative - his passion for trees is infectious and he believes building a relationship with his customers is vital to maintaining a healthy environment for their trees and shrubs.
