

Meet Your Bartlett Arborist Representative

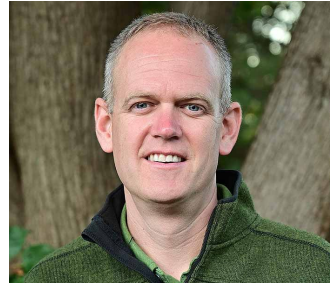

Michael Abbott

Michael has a Master's of Science in Forestry, and a Bachelor of Music and Horticulture. After earning his degrees, he pursued his interest in the green industry, becoming an employee of Bartlett Tree Experts in 2001.

As an Arborist Representative, Michael enjoys visiting clients' properties to consult with them about their tree and shrub care needs. He is also his office's Local Manager, having been promoted to this position in 2007.

He is an ISA Board Certified Master Arborist.

When he is not involved with arboriculture, Michael plays guitar, piano, sings and can be found happily leading music at his church every Sunday morning. He is an avid downhill skier, long distance runner, and loves being outside (even in bad weather).
