TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Michael Davie

Michael was born and raised in Nashville, TN, where he began his tree care industry career in 1986. He became a Certified Arborist in 1993 before moving to the mountains of North Carolina to work in Resource Management at the Great Smoky Mountains NP. He re-entered the arboriculture industry in the Asheville NC area, where he worked for many years, eventually becoming a Board-Certified Master Arborist in 2006. His long-standing admiration for Bartlett Tree Experts brought him back home to Nashville to open our new office. With decades of

experience, Michael has worked on all kinds of properties, working in almost every aspect of tree care. From climbing his favorite oak across the street as a child, to his professional life, to his work with the Eastern Native Tree Society documenting superlative trees and forests in his spare time, trees are important to Michael; he loves helping people take care of theirs.

Michael has been married for 24 years to his wife Becca, a ceramic artist. They enjoy their dog and cats, gardening, and the beauty of the outdoors.
