Meet Your Bartlett Arborist Representative

Peter Grellier

Growing up in rural England, Peter developed a passion for the outdoors from a young age. Upon leaving school, he attended Merrist Wood Horticultural College and graduated with a Diploma in Arboriculture in 1989. The next few years were spent pursuing his passion for trees, gaining experience as a young Arborist in England and Australia, where he met his Canadian wife to be. In 1997, Peter and his wife moved to Vancouver. He joined Arbor Care and subsequently became a Certified Arborist with the International Society of Arboriculture. In 2000, Bartlett acquired Arbor Care, and Peter has continued to serve his clients as an Arborist Representative ever since. Peter greatly enjoys working with clients and sharing his passion for trees and gardens to assist them in beautifying their properties.
