

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Robert Beideman

Robert Beideman started his career at the West Chester office as a summer intern in 2005. At the time Robert was working towards a degree in Urban Forestry at Virginia Tech. Upon graduation Robert returned to the West Chester office as a plant health care specialist. Robert became an Arborist-Representative with the York office of Bartlett Tree Experts in 2010. He transitioned back to the West Chester office in 2012. Robert's passion of trees and scientific approach to tree care make him a great arborist. As an ISA Certified Arborist-Representative Robert knows the importance of working safely and providing appropriate recommendations. Robert enjoys sharing his knowledge of trees during interactions with clients and speaking at educational events. As a West Chester native, Robert has volunteered with local organizations including the Pennsylvania Horticulture Society, Natural Lands Trust, Green Valleys Watershed Association, and more.
