

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Tim Zastrow

Growing up in suburban Maryland, Tim first learned to appreciate trees and the world around him from his maternal grandfather. When Tim was seven, he gave Tim's family a Butternut seedling from a tree that he had started from a seedling in the 1930s. Tim loved watching the tree grow to maturity. In 1985, while earning his degree in Entomology at the University of Maryland, Tim started in arboriculture working for TreeMasters. He joined Bartlett Tree Experts as an Arborist Representative in 2001, when Bartlett acquired that company. Tim welcomed the chance to combine his skill and experience with Bartlett's advanced technical resources and robust safety and training programs. Since that time, he has held positions in residential sales, full-time commercial sales, and served as Assistant Local Manager in the DC Market. Tim now leads our Frederick, Maryland office and serves a mix of residential tree owners and commercial tree managers.

A Registered Consulting Arborist and an ISA Board-Certified Master Arborist, Tim is also a Maryland Licensed Tree Expert, a Certified Tree Risk Assessor, and a member of the American Society of Consulting Arborists. Tim gets great pleasure every day helping people enjoy and care for their trees and shrubs.

In his free time, Tim loves to hike, enjoys birding & gardening, and takes particular delight in working with wood and metal in his home shop.
