Meet Your Bartlett Arborist Representative

Trent Skaar

Trent's passion for tree care began 20 years ago. Eager to explore the beauty of Vancouver Island Trent began searching for work that would allow him to be outside. He soon discovered his love for climbing and caring for trees. Trent started his career as an apprentice Arborist at Hartshorne Tree Service over 15 years ago. He quickly worked his way to Climber, Foreman, Plant Health Care Specialist and finally Arborist Representative at Bartlett Tree Experts. Trent has been a Certified Arborist with the International Society of Arboriculture since 2003. He is also a Certified Pesticide Applicator and has recently earned his Tree Risk Assessment Qualification.
